The company has adopted all of the new or amended Accounting Standards and Interpretations issued by the Australian Accounting Standards Board ('AASB') that are mandatory for the current reporting period.

Any new or amended Accounting Standards or Interpretations that are not yet mandatory have not been early adopted.

#### Basis of preparation

In the directors' opinion, the company is not a reporting entity because there are no users dependent on general purpose financial statements.

These are special purpose financial statements that have been prepared for the purposes of complying with the Australian Charities and Not-for-profits Commission Act 2012 and Victorian legislation the Fundraising Appeals Act 1998 and associated regulations and the Corporations Act 2001 requirements to prepare and distribute financial statements to the stakeholders of Anika Legal Limited. The directors have determined that the accounting policies adopted are appropriate to meet the needs of the stakeholders of Anika Legal Limited.

These financial statements have been prepared in accordance with the recognition and measurement requirements specified by the Australian Accounting Standards and Interpretations issued by the Australian Accounting Standards Board ('AASB') and the disclosure requirements of AASB 101 'Presentation of Financial Statements', AASB 107 'Statement of Cash Flows', AASB 108 'Accounting Policies, Changes in Accounting Estimates and Errors', AASB 1048 'Interpretation of Standards' and AASB 1054 'Australian Additional Disclosures', as appropriate for not-for profit oriented entities.

#### Historical cost convention

#### Income Tax

As the company is a charitable institution in terms of subsection 50-5 of the Income Tax Assessment Act 1997, as amended, it is exempt from paying income tax.

#### **Trade and Other Receivables**

## **Notes to the Financial**

Anika Legal Ltd ACN: 627 816 808

For the year ended 30 June 2023

#### **Employee Benefits**

Provision is made for the liability for employee entitlements arising from services rendered by employees to 30 June 2023. Employee benefits have been measured at the amounts expected to be paid when the liability is settled, plus related costs.

#### **Provisions**

Provisions are recognised when the entity has a legal or constructive obligation resulting from past events, for which it is probable that there will be an outflow of economic benefits and that outflow can be reliably measured. Provisions are measured using the best estimate available of the amounts required to settle the obligation at the end of the reporting period.

#### Cash and Cash Equivalents

Cash and cash equivalents include cash on hand, deposits held on call with banks, other short-term highly liquid investments with original maturities of three months or less, and bank overdrafts.

#### **Revenue Recognition**

Revenue from the sale of goods is recognised upon the delivery of goods to customers.

Revenue from the rendering of services is recognised upon the delivery of the services to customers.

Revenue from commissions is recognised upon delivery of services to customers.

Revenue from interest is recognised using the effective interest rate method.

Revenue from dividends is recognised when the entity has a right to receive the dividend.

All revenue is stated net of the amount of goods and services tax (GST).

#### **Goods and Services Tax**

Transactions are recognised net of GST, except where the amount of GST incurred is not recoverable from the Australian Taxation Office (ATO).

Receivables and payables are stated inclusive of the amount of GST receivable or payable. The net amount of GST recoverable from, or payable to, the ATO is included with other receivables or payables in the balance sheet.

#### **Grants**

Grant revenue is recognised in the income statement when the entity receives the grant, when it is probable that the entity will receive the economic benefits of the grant and the amount can be reliably measured.

If the grant has conditions attached which must be satisfied before the entity is eligible to receive the grant, the recognition of the revenue will be deferred until those conditions are satisfied.

Where the entity incurs an obligation to deliver economic value back to the grant contributor, the transaction is considered a reciprocal transaction and the revenue is recognised as a liability in the balance sheet until the required service has been completed, otherwise the income is recognised on receipt.

Anika Legal Ltd receives non-reciprocal contributions of assets from the government and other parties for a nominal or zero value. These assets are recognised at their fair value on the date of acquisition in the balance sheet, with an equivalent amount of income recognised in the income statement.

#### Independent Reviewer's Review Report To the Members of Anika Legal Ltd

#### Report on the Financial Report

I have reviewed the accompanying financial report of Anika Legal Ltd, which comprises the statement of financial position as at 30 June 2023, the statement of comprehensive income, statement of changes in equity and statement of cash flows for the financial year ended on that date, notes comprising a summary of significant accounting policies and other explanatory information, and the Directors' declaration.

#### **Directors' Responsibility for the Financial Report**

The Directors of the Company are responsible for the preparation of the financial report that gives a true and fair view in accordance with the Australian Accounting Standards, the Corporations Act 2001 and the Australian Charities and Not-for-Profits Commission Act 2012 and for such internal control as the Directors determine is necessary to enable the preparation of the financial report that gives a true and fair view and is free from material misstatement, whether due to fraud or error.

#### **Independent Reviewer's Responsibility**

My responsibility is to express a conclusion on the financial report based on my review. I conducted our review in accordance with Auditing Standard on Review Engagements ASRE 2400 Review of a Financial Report Performed by an Assurance Practitioner Who is Not the Auditor of the Entity, in order to state whether, on the basis of the procedures described, I have become aware of any matter that makes me believe that the financial report is not in accordance with the Australian Charities and Not-for-Profits Commission Act 2012 including: giving a true and fair view of the Company's financial position as at 30 June 2023 and its performance for the period ended on that date; and complying with the Australian Accounting Standards. ASRE 2400 requires that I comply with the ethical requirements relevant to the review of the financial report.

A review of a financial report consists of making enquiries, primarily of persons responsible for financial and accounting matters and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Australian Auditing Standards and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, I do not express an audit opinion.

#### Independence

In conducting my review, we have complied with the independence requirements of the Australian Charities and Not-for-Profits Commission Act 2012. I confirm that the independence declaration required by the Australian Charities and Not-for-Profits Commission Act 2012, which has been given to the Directors of the Company, would be in the same terms if given to the Directors as at the time of this independent reviewer's report.
